

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Summer is almost over and it's almost time to get ready for some chilly weather. Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will still be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on cool days.

The Teaching Strategies website should be up and running soon. Teachers will be informing all parents of any details associated with this website and your child as it becomes available.

Reminder: **Tuition payments are due on time.** Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher.

Important News

There will be plenty of Halloween activities going on throughout the month around out school. Please ask your child's teacher if you have any questions concerning treats or any celebrations.

Kindergarten Koalas

HELLO KINDERGARTENERS! We are in the 2nd month of the school year and it seems the children are starting to adjust to the new routine and the different learning styles that occurs in our class. We have gone through 4 sets of sight words up to date. There are still children who are having trouble identifying the words and/or letters. Parents, please review them with your child. These words are imperative to their reading skills. This month our themes will consist of Leaves, Spiders, Halloween, Harvest and Weather. We will be having a costume party on Monday the 31st. Children may bring their costumes in a bag so that they can put them on after nap. A letter will go out closer to the date including details and number of children so that we can all bring in treats. HAPPY HALLOWEEN KINDERGARTEN!!!!!!
MS. Jane

Lions Classroom

Dear Families,

Where we live, the days are getting shorter, the temperature is getting colder and the leaves are changing color. It is the perfect time to introduce the next unit-Fall. By participating in the experience provided through this unit the children will become more aware of changes that take place in the Fall. They will also learn the fall holidays, clothing and activities.

Enjoy your child as they experience the changes related to fall.

Thank you,

Ms. Krystyna

Peanuts Classroom

Dear Parents,

For the month of October, there will be many fun activities. We will be going on many walks around the neighborhood to study the leaves changing colors. We will be doing many fall projects like collecting leaves to make a nature collage and many more fun activities for Fall. We will also be practicing identifying our colors. Each we will be studying different types of colors and many crafts will be involved as well. We will end the month working on Harvest Feast projects.

A couple of reminders for parents: Please bring your child in by 9:30a.m. We cannot accept your child after this cut-off time. DO NOT bring your child into the classroom with any outside food. We ask this because there are other children who may have food allergies and we would not want any reactions to occur. Finally, we ask that all parents donate a box of Kleenex for our class. Since it is cold and flu season we would like to protect the children from catching any illnesses. We are looking forward to a great school year.

Thank you,
Ms. Megan & Ms. Joannie

Bears Classroom

For the month of October we will be continuing to review our alphabet, focusing on the letter C-G as well as learning our numbers 6-10. We will also continue to use natural materials such as sticks, pinecones and leaves to enhance our creativity for art projects. We will celebrate Halloween with a party and a costume parade as well as seasonal projects and games celebrating the occasion. We will also discuss the season changing and weather.
Ms. Taga

Dragons Classroom

Dear Parents,

It's hard to believe that Fall is already here! For the month of October we will be working on letters F, C, D, H and E. Also the # 2-5. Some of our topics will be Fall, The Circus and Days of the Week. Halloween Party is on October 31st. Any questions please see me. Ms. Hope

Butterfly Classroom

For the month of October our classroom theme will be: Ocean Commotion! We will focus on the letters A, O, S and D. our numbers for the month will be 1 and 2 while our shape will be a Triangle and our colors will be Blue and Purple. We will try to forget about the cool air approaching and dive into the ocean and swim with the jellyfish. This month there will be another Home/School Activity, this month it will be a Hallo
