

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Parents,

Summer is over and it's almost time to get ready for some chilly weather. Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will still be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on cool days. If you have any questions comments or concerns in regards to your child please feel free to speak with your child's teacher or you can speak with Mr. Angelo in the office.

Past/Current Events

Tuition payments are due on time.
Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher.

Important News

The Teaching Strategies website is up and running. By now all parents should have received an email regarding the site. Teachers will be informing all parents of any details associated with this website and your child as it becomes available. **Access to the website and your child's profile is completely FREE.**

Chipmunks Class

Hello Parents,

In Chipmunks news this month we will be talking about the changing weather, transportation and Thanksgiving. The letters and numbers we will be focusing on will be A, C, T and 2, 3 and 4. Remember parents please be aware that we go outdoors everyday weather permitting and as our weather changes each child should have the proper clothing in their cubby.

If you have any questions please feel free to ask. I look forward to a great year with your children!

Ms. Sandra

Sharks Classroom

Dear Parents, October was such a fun month, with the changing of seasons and watching the changing leaves. November brings just as much fun. The Sharks' weekly themes will include Farm Animals, healthy eating, Native Americans/Pilgrims and Thanksgiving. Some activities will include shucking corn, identifying healthy vs unhealthy foods, making Native American headdresses and sharing a Thanksgiving lunch together. We will be working on writing the numbers 1-10 and continue to work on our first and last names.

Happy October!

Bumblebees Classroom

For the month of November we will be working on our numbers 3, 4 and 5 the colors orange, brown and yellow. We will also be working on the shapes Star, Diamond and Square as well as alphabets D, E and F. Thanksgiving is coming soon and we will be talking about it and doing many fun activities. We will be talking about the weather changes as well. Parents please check your child's cubby for weather appropriate clothing.

Ms. Denise

Butterfly Classroom

It's November- the time of the year when The Butterflies will be celebrating togetherness and giving thanks. This month we will be focusing on topics like before and after, weather, life skills, and Thanksgiving. We will continue reviewing the alphabet, letter sounds, and recognizing sight words. Toward the end of the month, our goal is to start a canned-food drive and we will be providing more information when the time comes. Check out our classroom door for updates on lesson plans, notes from teachers, and the Bring-in-a-book sign up sheet. Our Bring-in-a-book system encourages families to get involved every week by bringing in books to share. Books can relate to weekly themes or anything you and your children would like to share with their classmates. We wish you and your families a Happy Thanksgiving!
