

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Parents,

Summer is almost over and it's almost time to get ready for some chilly weather. Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will still be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on cool days.

The Teaching Strategies website should be up and running soon. Teachers will be informing all parents of any details associated with this website and your child as it becomes available.

Past/Current Events

The month of September is to be filled with new and exciting happenings. The Teaching Strategies website should be up and running soon as well. Information will be given prior to access online.

Important News

To All Parents, please be sure to make your monthly tuition payments on time or there will be a late fee added to your balance. Any questions please feel free to see Mr. Angelo in the office.

Toddler Town Daycare has partnered with Jewel/Osco to provide seasonal flu shots at both schools. A technician will come out and administer the vaccines. The cost is \$26.99. The Illinois Medicaid Card is accepted for a \$0 copay. The date for Evanston is September 20th between the hours of 3pm-6pm. Any questions please see Mr. Angelo.

Chipmunks Class

Greetings from the Chipmunk Classroom!

The Chipmunk classroom is currently under transitions with teachers. If you have any question, comments or concerns regarding your child's classroom please be sure to see the teachers who are in there or speak to Mr. Angelo in the office.

Thank you very much for your patience while we make sure the Chipmunks class is in great order.

Sharks Classroom

Preschool children learn best through play. We try to keep our activities as fun as possible for them because we want them to enjoy their time here and they also learn the concepts much better. In September we have new students, this is the time for us to learn about one another. We are looking forward to learning about Labor Day, Back to School, All About Me and Our Families. The letters we will be learning this month are L, B, M and F. For math we will be practicing 1-20. We will also start out with our basic shapes. We will continue improving our early reading skills with the guessing game, clue, rhyming words and reading beginner books. A variety of art projects, games, graphs and outdoor activities will accompany our learning styles.

Bumblebees Classroom

Hi Bumblebee parents. I just wanted to introduce myself, my name is Ms. Denise. I am one of the new teachers here at Toddler Town Daycare. I am looking forward to getting to know all of the Bumblebee families. We have new children in the classroom so for the month of September we are going to be working on getting to know one another. In addition, Fall is almost here and we will be doing many many fun Fall activities.

Butterfly Classroom

This year the 4yr olds will be developing important life skills for both inside and outside the classroom. In the following months, your child will continue to develop his or her letter sounds as well as spelling their names and reading simple words. In social studies, the children will be introduced to the world around them. We will discuss other cultures, their neighborhood, Outer Space and their family history, just to name a few. In math they will learn about counting, shapes and patterns. This is a great age for the kids! This is the time when they will be learning things that they will use for the rest of their lives. We look forward to helping your child grown throughout the year!
